Contact: Gertrude Makell (410) 703-0610

Bring your own laptop or tablet to search for your family history on the Internet!

*Bring old family records, bibles,
photos, and starter trees*

*Research family &
community histories*

*Connect relatives to
times and places
where they lived*

*Take the DNA
Ancestry Test
& find your
place of origin*

A tree
with strong
roots laughs
at storms.
